IMPORTANT

Whether or not you expect to attend our 2006 Annual Shareholders' Meeting, we strongly urge you to cast your vote on the Internet, by telephone, or by mailing in your proxy-voting card prior to our meeting on June 12, 2006, to help ensure the presence of a quorum for our meeting and to save the expense and extra work of additional solicitation. If you vote by telephone or the Internet, you **DO NOT** need to mail your proxy-voting card. Voting by proxy by any method prior to the meeting will not prevent you from attending our 2006 Annual Shareholders' Meeting or revoking your prior vote and voting at our 2006 Annual Shareholders' Meeting.

We urge you to please read all of the instructions in your proxy information packet. The instructions, Internet addresses, telephone numbers, and mailing addresses are DIFFERENT depending on whether you have direct or beneficial ownership of your shares. To cast your vote using the enclosed proxy-voting card, simply complete the proxy-voting card, sign, date, and return the card in the pre-addressed envelope contained in your proxy information packet. To vote your shares other than by mailing in your proxy-voting card, you must use the control number printed in the box on your proxy-voting card contained in your packet. The control number on your proxy card is your personal code to access the telephone and Internet voting systems.

1. To vote using the Internet, log onto the website designated on your proxy-voting card and follow the instructions.
2. To vote using a touch-tone telephone, call the telephone number on your proxy-voting card and follow the instructions.

PROXY STATEMENT FOR OUR 2006 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON JUNE 12, 2006

General Information

Our Board of Directors is soliciting the enclosed proxy for use at our 2006 Annual Shareholders' Meeting to be held on June 12, 2006 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center at 1209 South Main Street, Grapevine, Texas. This proxy statement along with our 2006 annual shareholders' report and a proxy-voting card are being mailed or delivered on or about May 12, 2006 to shareholders of record owning our common stock on the close of business on May 4, 2006. The list of frequently asked questions is attached to this proxy statement as [Appendix A](#). Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on May 4, 2006, the record date, are called "*shareholders of record*" and are entitled to vote at our 2006 Annual Shareholders' Meeting. As of April 3, 2006, we had 26,840,899 outstanding shares of our common stock, \$0.0001 par value, which is our only class of outstanding voting securities. As of April 3, 2006, we had approximately 4,000 shareholders that held their common stock directly and approximately 13,000 beneficial shareholders who held their stock through approximately 160 brokers who represent approximately 70% of our total common stock outstanding. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at our 2006 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to our 2006 Annual Shareholders' Meeting at our corporate headquarters in Coppell, Texas during normal business hours from May 27, 2006 until June 8, 2006. The shareholder list will also be available for review prior to and during our 2006 Annual Shareholders' Meeting to be held on June 12th, 2006. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting by Proxy

Properly executed votes by proxy received prior to our 2006 Annual Shareholders' Meeting or at our Annual Shareholders' Meeting on June 12, 2006 or at any adjournment(s) or postponement(s) will be counted by Computershare, our transfer agent. If a shareholder specifies how their proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made, the shareholder's vote by proxy will be voted "FOR" on each of our 2 proposals as consistent with the recommendation by our Board of Directors. A shareholder may revoke, at any time prior to our Annual Shareholders' Meeting, their executed vote by proxy by submitting a revised vote by proxy bearing a later date. Attendance at our 2006 Annual Shareholders' Meeting without voting by ballot will not revoke a shareholder's previously submitted vote by proxy.

Direct Ownership

For the purpose of determining how to vote your shares at our 2006 Annual Shareholders' Meeting, you are deemed to have "direct ownership" over your Mannatech shares if you hold your original stock certificates directly in your name. This is typically evidenced by your receipt of all of our mailings directly from either us or from our transfer agent, Computershare.

[Table of Contents](#)

Beneficial Ownership

For the purposes of determining how to vote your shares at our 2006 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you 1) previously deposited your stock certificates with a broker; 2) purchased your shares directly through a broker; or 3) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder receiving all of our mailings from either their broker or through their broker's solicitor, which is usually ADP Proxy Services. As a beneficial owner, a shareholder owns their shares, but our transfer agent does not have access to any list of individual shareholders' names from the various brokers. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions which may differ from the instructions provided by our transfer agent. As a result, a shareholder should always read all the information provided in each of the proxy information packet(s) received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at our Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in each of their proxy information packet to ensure their vote for all of their shares are properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to our meeting in order to obtain instructions on how to attend and vote at our 2006 Annual Shareholders' Meeting. If a beneficial shareholder does not follow their specific brokers' instructions, our transfer agent is not allowed to count such beneficial shareholder's vote by ballot at our Annual Shareholders' Meeting.

Tabulating the Votes

Representatives from our transfer agent, Computershare, are responsible for tabulating all of the votes for our 2006 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding as of May 4, 2006, our record date, is necessary to have a quorum for our 2006 Annual Shareholders' Meeting. Abstentions and broker "non-votes," if any, will be counted as present for purposes of determining a quorum for our 2006 Annual Shareholders' Meeting. A broker "non-vote" occurs when brokers do not receive a properly executed proxy and, therefore, have not been given discretionary power to vote their shares on behalf of the beneficial holders thereof. If a proxy-voting card is received by the broker or their solicitor and is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR" each of the proposals.

For **Proposal 1** – the 3 nominees receiving the highest number of "FOR" votes from the shares present in-person or represented by proxy-votes at our 2006 Annual Shareholders' Meeting will be elected as our 3 Class I Directors. The shares represented by your enclosed proxy-voting card will be voted "FOR" all of the nominees unless you specify differently. To specify differently, the shareholder must check the "WITHHOLD" box. If the shareholder checks the "WITHHOLD" box, the shareholder's vote will be considered a vote against the named nominee. Because Proposal 1 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 1.

[Table of Contents](#)

A shareholder cannot write-in the names of additional nominees when voting by proxy. However, at our 2006 Annual Shareholders' Meeting, shareholders of record will be allowed to write-in additional names of nominee(s) on the ballot. To write-in a nominee on the ballot, the shareholder will need to check the "WITHHOLD" box for each of the nominees they wish to vote against in the space provided. The shareholder is allowed to write-in only as many nominees as the shareholder has voted against. For example, if there are a total of 3 nominees listed on the ballot and the shareholder wishes to withhold their vote for 2 of the 3 nominees, the shareholder should list the names of the two nominees for whom the vote is withheld and write-in up to 2 additional names for nominees to our Board of Directors.

For **Proposal 2** – the ratification of the appointment of our independent registered public accounting firm. The ratification of the appointment of our independent registered public accounting firm requires a "FOR" vote from a majority of shares present or represented by proxy votes entitled to vote at our 2006 Annual Shareholder's Meeting. "ABSTENTIONS" will be counted as a vote "against" the appointment of our independent registered public accounting firm. Because Proposal 2 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 2.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 1 AND PROPOSAL 2.)

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Admission and Voting at Our Annual Shareholders' Meeting

Voting at our 2006 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date, May 4, 2006. If your shares are not held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on May 4, 2006, such as your May 2006 brokerage statement or a printout of shares held at the close of May 4, 2006. At our meeting, shareholders will be given a ballot upon verification of stock ownership.

We will tape the meeting in its entirety and therefore we will not allow any other cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Direct shareholders will be given ballots upon verification of stock ownership. Remember that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as "broker non-votes". Prior to our June 12, 2006 meeting, **beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our Annual Shareholders' Meeting. They should also contact their broker by the Friday prior to our Annual Shareholders' Meeting, to ensure they obtain the proper paperwork in order to vote at our meeting. If the beneficial shareholder does not follow their broker's instructions, our transfer agent will not count such shareholder's vote by ballot at our Annual Shareholders' Meeting.** The instructions are usually located on the back of each proxy-voting card.

Shareholder Procedures for Nominating Board Members or Introducing Proposals

a) For our 2006 Annual Shareholders' Meeting

For our 2006 Annual Shareholders' Meeting, the deadline for recommending a nominee for nomination to our Board of Directors and for introducing proposals to be included in this proxy information package expired on December 31, 2005. A shareholder of record is prohibited from writing in nominees for our Board of Directors on their proxy-voting card. However, a shareholder of record may write-in nominees for our Board of Directors on their ballot at our 2006 Annual Shareholders' Meeting by following the instructions outlined above on page 3, under the heading "*Tabulating the Votes.*" We reserve the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

[Table of Contents](#)

Subject and pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, as amended, we have not been given notice of any shareholder proposals intended to be presented at our 2006 Annual Shareholders' Meeting without inclusion in our proxy statement. Because we did not receive notice of any shareholder proposals intended to be presented at our 2006 Annual Shareholders' Meeting by March 15, 2006, your properly executed proxy card will confer discretionary authority on the holder of your proxy to vote your shares, in the manner the holder so chooses, on any such shareholder proposals presented at our 2006 Annual Shareholders' Meeting. Our Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements. We also did not receive any nominees for Directors from shareholders for our 2006 Annual Shareholders' Meeting.

b) For our 2007 Annual Shareholders' Meeting

Under our Fourth Amended and Restated Bylaws, dated August 8, 2001, the Nominating and Governance Committee of our Board of Directors recommends all candidates for nomination to our Board of Directors. If a shareholder would like our Nominating and Governance Committee to consider specific candidates for nomination to our Board of Directors, a shareholder should deliver written notice to our Chief Financial Officer at our United States corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019, or fax (972) 471-5848. Written notice of such proposed candidates for Director should be delivered no later than December 31, 2006 to allow our Board of Directors time to consider such persons for nomination at our 2007 Annual Shareholders' Meeting. The written notice should include the candidates' full name, age, biographical background, and qualifications. Our Chief Financial Officer is required to forward all written notices received to our Nominating and Governance Committee. Our Nominating and Governance Committee consists of three independent Directors who review each proposed candidate and submits a recommended list of proposed candidates to our Board of Directors. Our Board of Directors then approves a list of proposed candidates, which are the only nominees that are listed on our ballot, the proxy-voting card, and our proxy statement on Schedule 14A. We expect to file our 2007 proxy statement with the United States Securities and Exchange Commission on or before April 30, 2007.

Proposals by shareholders that comply with all applicable provisions of Rule 14a-8 under the Securities Exchange Act of 1934 and are intended to be presented at our 2007 Annual Shareholders' Meeting must be delivered in writing to our Chief Financial Officer at our United States corporate offices, on or before December 29, 2006, in order to be eligible for inclusion in our 2007 proxy statement and proxy-voting card.

Subject to and pursuant to Rule 14a-4(c) (1) under the Securities Exchange Act of 1934, if a shareholder proposal is intended to be presented at our 2007 Annual Shareholders' Meeting without inclusion in our 2007 proxy statement, and notice of such proposal is not submitted in writing to our Chief Financial Officer by March 28, 2007, then with regard to any such shareholder proposals, a properly executed proxy card for our 2007 Annual Shareholders' Meeting will confer discretionary authority on the holder of a shareholder's proxy to vote such shareholder's shares in the manner the proxy holder so chooses. However, our Board of Directors reserves the right to reject, rule out-of-order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

A copy of our Fourth Amended and Restated Bylaws, dated August 8, 2001, is published on our corporate website or may be obtained upon written request to our Chief Legal Officer, Ms. Bettina Simon, at our United States headquarters located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019. In addition, our Bylaws were furnished as Exhibit 99.1 of our Form 8-K filed with the United States Securities and Exchange Commission on August 22, 2001.

PROPOSAL 1—ELECTION OF DIRECTORS

Our Fourth Amended and Restated Bylaws provide for a classified Board of Directors, divided into 3 staggered classes – I, II, and III. The terms of office for each of these classes are scheduled to expire on the dates of our Annual Shareholders’ Meeting in 2006, 2007, and 2008, respectively. At our 2006 Annual Shareholders’ Meeting, all of our Class I Directors are up for election.

Nominees. The 3 Class I Director nominees to be elected at our 2006 Annual Shareholders’ Meeting are Messrs. Gerald E. Gilbert, Marlin Ray Robbins, and Larry A. Jobe. Once elected, each of our Class I Directors’ terms will expire on the earlier of the date of our 2009 Annual Shareholders’ Meeting or the date of such Director’s disqualification, resignation, death, or removal.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” EACH OF THESE NOMINEES. A “FOR” VOTE ON A PROXY OR BALLOT WILL BE SO VOTED UNLESS A CONTRARY VOTE IS INDICATED BY THE SHAREHOLDER. DIRECTORS WILL BE ELECTED BY A PLURALITY OF THE VOTES CAST BY THE HOLDERS OF OUR COMMON STOCK REPRESENTED IN PERSON OR BY PROXY AT OUR MEETING.)

PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Shareholder ratification of the selection of our independent registered public accounting firm is not required by our Articles of Incorporation or Bylaws, as amended, or other applicable legal requirements. However, our Board of Directors, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. For the fiscal year ending December 31, 2006, our Board is seeking shareholder ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from Grant Thornton LLP will attend our 2006 Annual Shareholders’ Meeting and will have the opportunity to make statements, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

All services provided by our independent registered public accounting firm must be preapproved by our Audit Committee. The non-audit services, specified in Section 10-A(g) of the Securities Exchange Act of 1934, may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the “*de minimis exception*.” The *de minimis exception* provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

[Table of Contents](#)

Our Audit Committee may delegate to its Chairman the authority to grant preapprovals. In such event, the decisions of the Chairman of the Audit Committee regarding preapprovals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each regularly scheduled Audit Committee meeting. The revised estimate is then reviewed at our Audit Committee meeting.

Fees Paid to Our Independent Registered Public Accounting Firm

PricewaterhouseCoopers LLP served as our independent registered public accounting firm during our fiscal year ended December 31, 2004, and also performed a quarterly review with respect to our first quarter ended March 31, 2005. On April 27, 2005, our Audit Committee approved the dismissal of PricewaterhouseCoopers LLP, which was effective on May 13, 2005. On May 13, 2005, our Audit Committee appointed Grant Thornton LLP as our independent registered public accounting firm.

The report of PricewaterhouseCoopers LLP related to our consolidated financial statements for the year ended December 31, 2004 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principle. During the year ended December 31, 2004 and through May 13, 2005, we had no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statements disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused it to make reference thereto in its report on our consolidated financial statements.

During the year ended December 31, 2004 and through April 27, 2005, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934, as amended).

For the year ended December 31, 2004 and 2005, we were billed the following fees by our former independent registered public accounting firm, PricewaterhouseCoopers LLP, for the fiscal year ended December 31, as follows:

<u>Type of Service</u>	<u>2004</u>	<u>2005</u>
	<u>(in thousands)</u>	
Audit Fees , including the audit of our consolidated financial statements and annual report on Form 10-K, assessment of our internal control over financial reporting in compliance with Section 404 of the Sarbanes-Oxley Act of 2002, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits.	\$ 1,342	\$ 251
Audit-Related Fees , including professional services rendered in connection with Sarbanes-Oxley 404 readiness assistance.	63	—
Tax Fees , including fees for tax services, tax advice, transfer pricing, state, and international tax consultation.	94	—
All Other Fees , related to all other services including expatriation issues and miscellaneous consulting and advisory services.	95	253
Total Fees	<u>\$ 1,594</u>	<u>\$ 494</u>

The “*de minimis exception*” described above was not used for any fees paid to PricewaterhouseCoopers LLP in 2004 and 2005. All fees were pre-approved by our Audit Committee. As of April 28, 2005, we were advised by PricewaterhouseCoopers LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above did not prohibit PricewaterhouseCoopers LLP from maintaining their independence.

[Table of Contents](#)

We did not incur any fees with Grant Thornton LLP during 2004. For the year ended December 31, 2005, the following fees were billed to us by our current independent registered public accounting firm, Grant Thornton LLP, for the fiscal year ended December 31, as follows:

Type of Service	2005 (in thousands)
Audit Fees , including the audit of our consolidated financial statements and annual report on Form 10-K, assessment of our internal controls over financial reporting in compliance with Section 404 of the Sarbanes-Oxley Act of 2002, review of our quarterly financial statements and quarterly reports filed on Form 10-Q, and international statutory audits.	\$ 332
Audit-Related Fees , including professional services rendered in connection with Sarbanes-Oxley 404 readiness assistance.	337
Tax Fees , including fees for tax services, tax advice, transfer pricing, state, and international tax consultation.	—
All Other Fees , related to all other services including expatriation issues, and miscellaneous consulting and advisory services.	2
Total Fees	\$ 671

The “*de minimis exception*” was not used for any fees paid to Grant Thornton LLP in 2005. All fees were pre-approved by our Audit Committee. We were advised by Grant Thornton LLP that neither the firm, nor any member of its firm, had any direct or indirect financial interest in any capacity in our Company. The members of our Audit Committee believe the payment of all fees set forth above does not prohibit Grant Thornton LLP from maintaining their independence.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2006. A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP BY PROXY OR BALLOT WILL BE SO VOTED UNLESS A CONTRARY VOTE IS INDICATED BY THE SHAREHOLDER. THE AFFIRMATIVE VOTE OF THE MAJORITY OF SHAREHOLDERS OF OUR COMMON STOCK REPRESENTED IN-PERSON OR BY PROXY IS REQUIRED TO RATIFY THE APPOINTMENT OF OUR INDEPENDENT AUDITORS.)

SUMMARY OF ALL DIRECTORS AND EXECUTIVE OFFICERS

Management Bonus Plan

Our Executive Officers and certain other officers are eligible to receive bonuses in addition to their base salaries. Our Compensation and Stock Option Plan Committee is responsible for reviewing and approving all of our Company's bonuses. Under our existing Management Bonus Plan, Executive Officers can earn an annual bonus for obtaining specific personalized goals and achieving certain consolidated financial results, which are certified by our independent registered public accounting firm. Any earned bonuses are paid by March 15th of the following year. For fiscal 2005, we declared an aggregate cash bonus of \$0.9 million under our Management Bonus Plan, which was paid on March 10, 2006.

Equity Compensation Plan Information

Our 1997 Stock Option Plan was adopted by our Board of Directors and approved by our shareholders on May 14, 1997. Our 1998 Incentive Stock Option Plan was adopted by our Board of Directors, approved by our shareholders on April 8, 1998, and amended on September 4, 1998 to increase the number of shares reserved for issuance from 500,000 to 1,000,000 shares. Our 2000 Stock Option Plan was adopted by our Board of Directors and approved by our shareholders on June 19, 2000. All three of our stock option plans were further amended and restated effective August 7, 2003, to amend certain provisions of the plans for recent regulatory changes. Our stock option plans are intended to encourage investment by our officers, employees, and non-employee Directors in shares of our common stock so they will have an increased vested interest in and greater concern for our welfare.

Options granted under our 1997 and 2000 stock option plans may be either incentive stock options or options that do not qualify for treatment as incentive stock options under Section 422 of the United States Internal Revenue Code of 1986. Options granted under our 1998 Incentive Stock Option Plan may only be granted to our employees.

Incentive stock options may be granted under our stock option plans to any person who is either an employee or Director, or any parent or subsidiary that may exist in the future. The exercise price of incentive stock options must equal the approximate fair market value of a share of its common stock on the date of grant. Stock options granted to persons owning more than 5% of our stock are required to be issued at an exercise price of at least 110% of the fair market value of the price of our stock on the date of grant and can be issued for a term not to exceed five years.

Our stock option plans may be canceled by our Board of Directors at any time without the approval of our shareholders. Material amendments to our stock option plans require approval by our shareholders as required by the marketplace rules of the NASDAQ National Market. Our Board of Directors may not take any action without the approval of our shareholders that affects options previously granted under our stock option plans.

The following table sets forth information regarding our common stock that may be issued upon the exercise of stock options, warrants, and other rights granted to employees, consultants, or Directors under all of our existing equity compensation plans as of December 31, 2005:

- the number of shares of common stock covered by each option;
- the time or times at which options will be granted;
- the option vesting schedule;
- the exercise price of the option;
- the duration of the options granted;
- whether to prescribe, amend and rescind rules or regulations relating to our stock option plans;

401(K) Plan

On May 9, 1997, we adopted a 401(K) Pre-tax Savings Plan. All employees who have been employed by us for at least 90 days at the beginning of a quarter and are at least 21 years of age are eligible to participate in our 401(K) Plan. During 2005, employees were allowed to contribute to our 401(K) Plan up to the maximum annual limit, as statutorily prescribed, of their current annual compensation. For 2005, we made regular matching contributions to our 401(K) Plan in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 6% of the participant's annual salary. The 401(K) Plan also provides that we can make profit-sharing contributions to our 401(K) Plan each year based upon our profit. We did not make any profit-sharing contributions in 2005. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participating employee. Our contribution to our 401(K) Plan vests over five years, or earlier if the participating employee retires at age 65, becomes disabled, or dies. Payments to participating employees may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(K) Plan is intended to qualify under Section 401 of the United States Internal Revenue Code of 1986, so that contributions made by employees or by us to our 401(K) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(K) Plan.

REPORT OF OUR COMPENSATION AND STOCK OPTION PLAN COMMITTEE

Our Report of our Compensation and Stock Option Plan Committee summarizes our executive compensation policies, and the basis for the compensation paid to our Executive Officers, including Mr. Samuel L. Caster, our Chief Executive Officer during the year ended December 31, 2005.

Compensation policy. Our policy with respect to our executive compensation is designed to:

- adequately and fairly compensate our Executive Officers in relation to their responsibilities, capabilities and contributions to our Company in a manner that is commensurate with compensation paid by other similarly-sized companies or other companies within the same industry; and
- reward our Executive Officers for their achievement of short-term operating goals and the enhancement of long-term value.

Components of compensation. The primary components of compensation paid to our Executive Officers and the relationship of such components of compensation to our performance are discussed below:

- Base salary.** During each year our Compensation and Stock Option Plan Committee reviews the base salaries of our Executive Officers to ensure their salaries are reasonable based upon a number of factors. These factors include our performance (to the extent such performance can fairly be attributed or related to each Executive Officer's performance), as well as the nature of each Executive Officer's responsibilities, capabilities, loyalties, and contributions. Our Compensation and Stock Option Plan Committee believes the base salaries of our Executive Officers are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.
- Bonus.** Each of our Executive Officers is eligible to participate in our Management Bonus Plan. Our bonus plan is based on our Company achieving certain performance goals and achieving consolidated financial results, which are certified by our independent registered public accounting firm. Bonuses earned by our Executive Officers are reviewed and approved by our Compensation and Stock Option Plan Committee and paid by March 15th of the following year. For fiscal year 2005, we declared an aggregate cash bonus of \$0.9 million which was paid on March 10, 2006.
- All other annual compensation.** We maintain certain other plans and arrangements for the benefit of our Executive Officers and other members of our management, including participation in our 401(K) plan, payment of travel expenses, and enrollment in health, life, automobile, and long-term disability insurance. All of our Vice Presidents are paid monthly auto allowances of \$500. In addition, Senior or Executive Vice Presidents and above are either paid an auto allowance of at least \$1,000 or provided with a company-leased vehicle. Our Compensation and Stock Option Plan Committee believes these benefits are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.
- Long-term compensation.** We maintain stock option plans to reward our executives and employees for the attainment of certain goals or events. Stock option grants are reviewed and approved by our Compensation and Stock Option Plan Committee. Our Compensation and Stock Option Plan Committee believes these long-term compensation arrangements are reasonable in relation to executive compensation practices of other similarly-sized companies or other companies within the same industry.

2005 Chief Executive Officer's Compensation. As previously described, our Compensation and Stock Option Plan Committee considers several factors in determining our Chief Executive Officer's compensation package. The primary factors focus on preset performance goals and our financial performance. Specific actions taken by our Compensation and Stock Option Plan Committee regarding Mr. Caster's compensation paid in 2005 are summarized below:

- (a) **Base salary.** Mr. Caster's base salary was based on a number of factors including the Company's overall performance, attainment of personal performance goals, and achievement of our budgeted consolidated financial results, as well as the nature of Mr. Caster's responsibilities, capabilities, loyalties, and contributions to our performance. For fiscal year 2005, Mr. Caster's base salary was \$600,000 per annum. We increased Mr. Caster's salary to \$660,000 per annum in 2006.
- (b) **Bonus.** Mr. Caster participated in our Management Bonus Plan. Our bonus plan is based upon the attainment of certain performance goals and certain consolidated financial results, which are certified by our independent registered public accounting firm. For fiscal year 2005, we declared a cash bonus of \$165,000 for Mr. Caster, which was paid on March 10, 2006.
- (c) **All other annual compensation.** Mr. Caster, as well as all other executive officers, may participate in our 401(K) plan; however, during 2005, Mr. Caster did not participate in our 401(K) Plan. Mr. Caster was also provided with a company leased vehicle, reimbursed for certain personal travel expenses, and enrolled in health, life, automobile, and disability insurance.
- (d) **Long-term compensation.** None.

\$1 Million Pay Deductibility Cap. Under Section 162(m) of the United States Internal Revenue Code, public companies are precluded from receiving a tax deduction on compensation paid to any of their executive officers whose compensation exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. At this time, our executive officers' cash compensation levels have not exceeded the \$1 million limit, and our Compensation and Stock Option Plan Committee does not anticipate exceeding this limit in the near future. Nonetheless, our Compensation and Stock Option Plan Committee annually reviews all of our executive officers' compensation in light of Section 162(m).

Conclusion. Our Compensation and Stock Option Plan Committee believes the concepts discussed above further our shareholders' interests and encourage responsible management by our executive officers. Notwithstanding, our Compensation and Stock Option Plan Committee will regularly monitor and consider the effect of executive compensation on our shareholders' interests. The factors set forth above, reports from the various Committees of our Board of Directors, and information compiled by various independent consultants are used in determining the total compensation paid to or on behalf of our executive officers.

Our Audit Committees' role does not provide any special assurances with regard to our consolidated financial statements, nor does it involve a professional evaluation of the quality of our audits performed by our independent registered public accounting firm. To strengthen our Audit Committee's ability to assist our Board of Directors, our Audit Committee formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of 16 high level employee officers who report to our Audit Committee and our Chief Executive Officer and Chief Financial Officer. Our Disclosure Committee is responsible for reviewing all of our filings with the United States Securities and Exchange Commission. Our Audit Committee has furnished our Board of Directors with the following report:

The Audit Committee has reviewed and discussed with the Company's management their consolidated audited financial statements as of and for the year ended December 31, 2005, and the certification process required by the Sarbanes-Oxley Act of 2002. The Company has represented to our Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. Our Audit Committee has also discussed the following with our independent registered public accounting firm: (1) the auditor's responsibilities, (2) any significant issues arising during the audit, and (3) other matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended by Statement on Auditing Standards No. 90, "Communications with Audit Committees." Our Audit Committee received the written disclosures and the letter from our independent registered public accounting firm required by the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended. Our Audit Committee has discussed with the independent registered public accounting firm the accounting firm's independence from management. In addition, our Audit Committee discussed the adequacy of our disclosure controls and internal control over financial reporting with our independent registered public accounting firm and management.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors, and the Board subsequently approved, that the year-end audited consolidated financial statements be included in Mannatech's 2005 Annual Report on its Form 10-K for the year ended December 31, 2005 for filing with the United States Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Receivables due from Affiliates

On February 17, 1999, we signed 5 separate notes receivable agreements with 5 shareholders who were also affiliates of our Company. The notes with installments were due annually through February 17, 2004. In 2001, we agreed to modify the terms of the note receivable with Mr. Charles Fioretti as part of his separation and release agreement. Mr. Fioretti is our former Chairman and Chief Executive Officer. Under the terms of the modified agreement dated June 4, 2001, Mr. Fioretti's remaining principal balance of \$127,000 continued to accrue interest and was due on the earlier of February 17, 2011, or 13 days after the date in which Mr. Fioretti no longer owned at least 100,000 shares of our common stock. During 2005, Mr. Fioretti owned less than 100,000 shares of our stock and as a result, the note became due and was classified as a current asset. We believe the note is collectible and are negotiating with Mr. Fioretti to pay the remaining principal and interest related to his note, which as of December 31, 2005 was approximately \$153,000.

Agreement with a Director

In November 2003, we entered into a Lock-Up Agreement whereby we agreed to pay Mr. J. Stanley Fredrick, our Lead Director on our Board of Directors and a major shareholder, \$185,000 per year for his agreement not to sell his shares unless approved by the Board of Directors. In June 2004, our Board of Directors authorized Mr. Fredrick to sell up to 350,000 shares of his stock and as a result, during 2004, Mr. Fredrick sold 350,000 shares of his common stock. As of April 1, 2006, Mr. Fredrick continues to hold 3,150,000 shares of our common stock.

In November 2003, we also agreed to pay Mr. Fredrick \$100,000 annually to act as our Lead Director for our Board of Directors. During 2005, we paid Mr. Fredrick \$100,000 related to this agreement.

In January 2006, we also began paying Mr. Fredrick director meeting fees associated with attending our Board of Directors and Committee meetings.

Agreement with Fredrick Media, LLC

On November 16, 2005, we entered into a consulting services agreement with Fredrick Media, LLC, which is owned by Mr. Landen Fredrick, son of Mr. J. Stanley Fredrick. Pursuant to the Consulting Agreement, we agreed to pay approximately \$0.2 million to Fredrick Media LLC for various consulting services, including consulting related to the development of our website.

Clinical Studies with St. George's Hospital

On June 4, 2002, Dr. John Axford was elected to our Board of Directors and currently serves as the Chairman of our Science Committee. We paid Dr. Axford \$30,000 during 2005 related to certain research and development consulting fees.

St. George's Hospital & Medical School is located in London, England where Dr. Axford is the principal investigator in certain clinical trials. In October 2002, we signed a three-year agreement with St. George's Hospital & Medical School, the employer of Dr. Axford, to fund a grant for \$148,000 for a clinical trial. In June 2004, we signed a second three-year agreement with St. George's Hospital & Medical School to fund research costs totaling approximately \$0.7 million related to another clinical study involving one of our products. During 2005, we paid St. George's Hospital & Medical School \$0.2 million related to these two clinical studies.

Transactions involving our Chairman and Chief Executive Officer

Mr. Caster founded MannaRelief in 1999 and since then has served as its Chairman. Defined under the Internal Revenue Code, MannaRelief is a 501(c)(3) charitable organization that provides services for children. Donald Herndon, who serves as our Vice President of Field Services, also serves on MannaRelief's Board. Mr. Herndon is the brother-in-law of Mr. Caster and is also the brother-in-law of Terry L. Persinger, who serves as our President and Chief Operating Officer and as a member of our Board of Directors. During 2005, we made cash contributions to MannaRelief, sold certain of our products to MannaRelief at cost plus shipping and handling charges, and shipped the products purchased by MannaRelief to its chosen recipients. In addition, our employees and consultants periodically volunteer to work on various fund raising projects and events for MannaRelief at no cost to MannaRelief. For the year ended December 31, 2005, we sold products to MannaRelief at cost plus shipping and handling of approximately \$1.4 million. At December 31, 2005, we had recorded a receivable due from MannaRelief for purchases of our products totaling \$0.3 million. We approved cash contributions of approximately \$0.4 million for 2005. At December 31, 2005, \$0.1 million remained unpaid. We also approved an annual donation of approximately \$0.6 million to MannaRelief payable in 2006.

Certain Transactions with Marlin Ray Robbins

Mr. Marlin Ray Robbins is a member of our Board of Directors and major shareholder. Mr. Ray Robbins also holds multiple positions in our associate global downline network marketing system, four of which related to the cancellation of an agreement between Mr. Robbins and us in June 1999. We pay commissions and incentives to our associates for product sales and downline growth. We paid commissions to Ray Robbins totaling \$3.1 million in 2005. In addition, Kevin Robbins and his wife Dawn Robbins, who are also our associates and the son and daughter-in-law of Mr. Ray Robbins, were paid associate commissions of approximately \$0.3 million in 2005. All commissions paid to Ray Robbins and his immediate family members were paid in accordance with our global associate career and compensation plan.

Certain Transactions with Dr. Bill H. McAnalley

On August 7, 2005, the two-year employment agreement with Dr. Bill McAnalley, who served as our Chief Science Officer, expired. As a result, we entered into a Release Agreement and a one-year Consulting Agreement, in which we are required to pay Dr. McAnalley a total of \$0.9 million. As of December 31, 2005, we paid Dr. McAnalley \$0.4 million in connection with services provided under this Consulting Agreement.

In August 2003, we entered into a Royalty Agreement with Dr. McAnalley. We agreed to pay Dr. McAnalley the greater of his annual royalties or an annual executive bonus while employed by us. Under this agreement, Dr. McAnalley was paid an annual royalty of three tenths of one percent (0.003) of the calculated incremental net products sold per year. This Royalty Agreement ended in August 2005, when Dr. McAnalley's employment agreement expired. For the year ended December 31, 2005, we paid Dr. McAnalley \$0.3 million related to this Royalty Agreement, when this agreement ended.

In August 2003, we also entered into a Long-Term Post-Employment Royalty Agreement with Dr. McAnalley, pursuant to which we were required to pay Dr. McAnalley or his heirs' royalties for 10 years, beginning September 2005 through September 2015. Quarterly payments related to this Long-Term Post-Employment Royalty Agreement are based on certain applicable annual global product sales, by us, in excess of \$105.4 million. At the time we entered into this Long-Term Post-Employment Royalty Agreement, it was considered a post-employment benefit, and we were required to measure and accrue the present value of the estimated future royalty payments related to the post-employment royalty benefit and recognize it over the life of Dr. McAnalley's employment agreement. As of December 31, 2005, we accrued \$3.9 million related to this Royalty Agreement, of which \$0.5 million was currently due at December 31, 2005.

OTHER MATTERS

Our Board of Directors does not know of any other matters that are to be presented for action at our 2006 Annual Shareholders' Meeting. However, if any other matters properly come before our 2006 Annual Shareholders' Meeting or any adjournments or postponements thereof, it is intended that the enclosed proxy will be voted in accordance with the judgment of the persons voting the proxy.

**MANNATECH, INCORPORATED
FREQUENTLY ASKED QUESTIONS**

Our Board of Directors urges all shareholders to read all of the information included in our proxy materials provided to them. As a courtesy, our Board of Directors is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for our 2006 Annual Shareholders' Meeting.

1. What information is contained in these materials?

The information in our proxy statement contains information about our proposals, background information about our Board nominees, and compensation of our Officers and Board of Directors. In addition, the materials include our 2005 shareholders' annual report, Form 10-K, Proxy Statement, and a proxy-voting card, which provides shareholders instructions on how to cast their vote.

2. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or owns shares through a broker. Shareholders should be sure to read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at our 2006 Annual Shareholders' Meeting to shareholders of record who own shares on the close of business on May 4, 2006.

3. What shares owned by a shareholder can be voted either by proxy or at the annual meeting?

All shares owned by a shareholder directly or as a beneficial owner as of the record date may be voted by the shareholder prior to the meeting using the proxy-voting card. At our 2006 Annual Shareholders' Meeting, shareholders who directly own their shares will be verified and given a ballot card. At the meeting, beneficial owners of record will be verified by having a power of attorney form from their broker which allows them to vote at the meeting. If a shareholder does not have this information from their broker, our transfer agent will not be able to count such shareholder's vote because the broker may have already cast a vote on their behalf. We strongly recommend that shareholders read the back of their proxy-voting cards prior to our 2006 Annual Shareholders' Meeting to understand how to cast their vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

4. What is the difference between direct ownership and beneficial ownership?

A shareholder has DIRECT OWNERSHIP over our shares if such shareholder directly holds the stock certificates in their own name. This is evidenced by the shareholder receiving all mailings directly from either us, or our transfer agent, Computershare.

A shareholder has BENEFICIAL OWNERSHIP over our shares if such shareholder has delivered our stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually ADP Proxy Services. As a beneficial owner, the shareholder still owns our shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has about shareholders owning stock through their broker is the aggregated total number of shares each broker holds on behalf of its clients.

5. What does it mean if a shareholder receives more than one proxy-voting card?

If a shareholder receives more than one proxy-voting card, the shareholder's shares are registered with different names or the shareholder has more than one account in which it holds shares of our stock. Each proxy-voting card may have different instructions, telephone numbers, or email addresses so a shareholder should be sure to read all instructions on the back of each proxy-voting card.

6. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our stock, but it does not have any detailed information such as the individual names of shareholders who own shares held through their brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership or individuals who own our stock through their brokerage group. Each brokerage group is responsible for reporting their shareholders' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm using their proxy-voting card.

7. Can a shareholder change their proxy vote?

Both direct shareholders and beneficial shareholders can revoke their proxy-vote prior to our 2006 Annual Shareholders' Meeting. Attendance at our 2006 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our Annual Shareholders' Meeting. A shareholder should contact the customer service department listed within the information packet received to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on if a shareholder is a direct shareholder or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our transfer agent will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our stock represents one vote. A shareholder should contact the customer service telephone number provided to them in their shareholder information packet if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

8. How can a shareholder attend our 2006 Annual Shareholders' Meeting?

The 2006 Annual Shareholders' Meeting will be held on June 12, 2006 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in and verification of stock ownership. No cameras or recording equipment will be permitted in the meeting room as we will be taping the meeting in its entirety.

9. Where can a shareholder find the voting results of our 2006 annual meeting?

We will announce preliminary voting results of our 2006 Annual Shareholders' Meeting in a press release and will publish final voting results in our quarterly report on Form 10-Q for the second quarter of 2006. Our Form 10-Q is expected to be filed with the United States Securities Exchange Commission ("SEC") on or before August 9, 2006.

10. Can a shareholder have someone else cast a vote for them at our shareholders' meeting?

In order to have someone else cast their vote, a shareholder must provide the person with whom such shareholder would like to cast their vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares held by the shareholder to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast a shareholder's vote on their behalf; and
- the shareholder's signature.

The original power of attorney form must be attached to the ballot that is turned in by the designee. If the original shareholder is a beneficial owner, the original shareholder must also provide the proper documentation from their broker to the designee, which would allow the original shareholder to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at our 2006 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as the designee for each shareholder.

11. How can a shareholder vote against some or all of the nominees for our Board of Directors?

To vote against some or all of our Board nominees, a shareholder should check the WITHHOLD boxes next to the name of each of the applicable nominees on the proxy-voting card or ballot.

12. How can a shareholder write-in a nominee for our Board of Directors?

A shareholder CANNOT write-in additional nominees on their proxy-voting card when voting by mail, telephone, or the Internet. A shareholder can ONLY write-in the names of additional nominees they wish to vote for on the ballot at our 2006 annual shareholder meeting.

To write-in a nominee on the ballot, the shareholder should check each of the "WITHHOLD" boxes next to the nominee names for which the shareholder desires to vote against. The shareholder should then write-in its nominee(s) in the blank provided. A shareholder can only write-in as many nominees as such shareholder voted against. For example, if there were a total of three nominees listed on the ballot and a shareholder withheld a vote for two of the three nominees, two additional nominees may be written in.

13. How can a shareholder recommend that a person be listed on the ballot as a nominee?

Shareholder recommendations for nominee(s) for the Board of Directors should have been submitted to our CFO by December 28, 2005 so that our Board of Directors could have considered such persons for nomination at our 2006 Annual Shareholders' Meeting. Nominee recommendations should include a candidate's name, age, biographical information, and qualifications. Our CFO forwards the list of nominees to the Nominating and Governance Committee of our Board of Directors. Our Nominating and Governance Committee reviews all of the nominees and recommends a list of nominees to our Board of Directors. Our Board of Directors then votes on the nominees. Only the nominees approved by our Board of Directors will be listed on our ballot, proxy-voting card and in our proxy statement on Schedule 14A, which is expected to be filed with the SEC on or before April 28, 2006. To submit recommendations for a nominee to our Board of Directors at our 2007 Annual Shareholder Meeting, a shareholder should submit in writing the nominees information to our CFO by December 31, 2006. The nomination should be either faxed to (972) 471-5848 or mailed to our CFO at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019.

14. How are the votes counted?

Representatives from our transfer agent, Computershare, will be responsible for tabulating all of the votes for our 2006 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding, as of the record date, is necessary to have a quorum for our 2006 Annual Shareholders' Meeting. Abstentions and broker "non-votes" will be counted as present for purposes of determining a quorum. A broker "non-vote" occurs when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" each of the proposals.

For Proposal 1 - the election of our Board of Directors, assuming that a quorum is present, the three nominees receiving the highest number of "FOR" votes from the shares presented in person, represented by proxy-votes and cast at our 2006 Annual Shareholders' Meeting in person or by proxy-vote will be elected as Directors. Because Proposal 1 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 1.

For Proposal 2 - the ratification of the appointment of our independent registered public accounting firm. "ABSTENTIONS" will be counted as a vote "against" this proposal. The ratification of appointment of our independent registered public accounting firm requires a "FOR" vote from a majority of shares present in person or represented by proxy-votes entitled to vote at our 2006 Annual Shareholders' Meeting. Because Proposal 2 is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal 2.

15. What should a shareholder do if they never received their proxy materials or if the proxy materials have been lost?

If a shareholder owns shares directly and did not receive their proxy-voting card or voting materials, or if proxy-voting card and/or proxy materials has been lost or stolen, the shareholder can call Computershare's customer service telephone number at (877) 498-8861. Computershare's customer service will verify that the shareholder was a direct shareholder holding shares on the close of business on May 4, 2006. Once verified, Computershare will mail, email, or fax the information packet and provide the shareholder with instructions on how to cast their vote by mail, telephone, or the Internet.

If a shareholder is a beneficial shareholder, meaning the shareholder owns their shares through a broker, they should contact their broker's customer service department. The broker should verify that they are a shareholder on the close of business on May 4, 2006 and give them specific instructions on obtaining a new proxy-voting card and information packet and how to cast a vote. Anyone can view our 2006 proxy statement by logging onto our corporate website www.mannatech.com.

Except for Board and Committee fees, a member of the Committee shall not be permitted to accept any fees paid directly or indirectly for services as a consultant, legal advisor or financial advisor or any other fees prohibited by the rules of the SEC and the Nasdaq Stock Market. In addition, no member of the Committee may be an affiliated person of the Company or any of its subsidiaries. Members of the Committee may receive their Board and Committee fees in cash, Company stock or options or other in-kind consideration as determined by the Board or the Compensation and Stock Option Plan Committee, as applicable, in addition to all other benefits that other directors of the Company receive.

III. MEETING REQUIREMENTS

The Committee shall meet as necessary, but at least four times each year, to enable it to fulfill its responsibilities. The Committee shall meet at the call of its Chairperson, preferably in conjunction with regular Board meetings. The Committee may meet by telephone conference call or by any other means permitted by law or the Company's Bylaws. A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. Without a meeting, the Committee may act by unanimous written consent of all members. The Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore, in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent accountants, internal accountants or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and reporting the Committee's actions to the Board from time to time (but at least once each year) as requested by the Board.

As part of its responsibility to foster free and open communication, the Committee should meet periodically with management, the internal accountants and the independent accountants in separate executive sessions to discuss any matters that the Committee or any of these groups believe should be discussed privately. In addition, the Committee or at least its Chairperson should meet with the independent accountants and management quarterly to review the Company's financial statements prior to their public release consistent with the provisions set forth below in Section IV. The Committee may also meet from time to time with the Company's investment bankers, investor relations professionals and financial analysts who follow the Company.

IV. COMMITTEE RESPONSIBILITIES

In carrying out its responsibilities, the Committee's policies and procedures should remain flexible to enable the Committee to react to changes in circumstances and conditions so that it can fulfill its oversight responsibilities. In addition to such other duties as the Board may from time to time assign, the Committee shall have the following responsibilities:

11. Discuss with management the policies with respect to risk assessment and risk management. These discussions shall include consideration of the quality of the Company's accounting principles as applied in its financial reporting, including review of audit adjustments (whether or not recorded) and any such other inquiries as may be appropriate. Based on the review, the Committee shall make its recommendation to the Board as to the inclusion of the Company's audited consolidated financial statements in the Company's annual report on Form 10-K.
 2. Review and discuss with management and the independent accountants earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.  3. Review the regular internal reports to management prepared by the internal accountants and management's response thereto.
 4. Review reports from management, the internal accountants and the independent accountants on the Company's subsidiaries and affiliates, compliance with the Company's code(s) of conduct, applicable law and insider and related party transactions.

In making its determination, the Committee shall consider not only auditing and other traditional accounting functions performed by the independent accountants, but also consulting, legal, information technology services and other professional services rendered by the independent accountants and its affiliates. The Committee shall also consider whether the provision of any of these non-audit services is compatible with the independence standards under the guidelines of the SEC and other applicable authorities (including, possibly, the Independence Standards Board and the Public Company Accounting Oversight Board) and shall approve in advance any nonaudit services to be provided by the independent accountants.
 4. Review on an annual basis the experience and qualifications of the senior members of the external audit team. Discuss the knowledge and experience of the independent accountants and the senior members of the external audit team with respect to the Company's industry. This is the responsibility of management and the independent accountants.

V. ANNUAL EVALUATION PROCEDURES

The Committee shall annually assess its performance to confirm that it is meeting its responsibilities under this Charter. This Charter, and any amendments thereto, shall be displayed on the Company's web site and a printed copy of such shall be made available to any shareholder of the Company who requests it.
